

Awadhesh Pratap Singh University, Rewa (MP)

No/Dire/2025/58

Date: 06/09/2025

Notice for PhD Entrance Applicants

1. It has been observed in some cases that applicants have not applied for the subject in which they have completed their Postgraduate (PG) degree or its relevant allied subject. Such cases may create problems later at the time of admission. Therefore, all applicants are directed to carefully check that the subject mentioned on their Admit Card is the same as their PG subject or a recognized allied subject. If any discrepancy is found, you must inform us immediately through email and WhatsApp to the Directorate of Research along with supporting documents, so that necessary corrections can be made in time.

2. Applicants are advised to make sure that if they are NET qualified and their category has not been updated as "exempted", they must immediately inform us along with a copy of their UGC-NET certificate and application id through email and WhatsApp so that their status can be changed ~~from~~ to "Exempted from Entrance Examination".

- Similarly, those applicants who are not NET qualified but whose Admit Card has either been issued under the "Exempted" category, or has not been issued at all due to this mismatch, must also inform us through email and WhatsApp. This correction is essential, as any discrepancy may create problems later at the time of RAC (Research Advisory Committee).

3. Admit Card Download Issues: Admit Cards are being generated and can be downloaded. If you are unable to download your Admit Card due to any technical reason, please try again from a cybercafé. If the issue still persists, immediately report it through email and WhatsApp to the Directorate Office.

4. Resolution of other Problems All candidates are strongly advised to get their issues resolved before the morning of 7th September, to avoid last-minute inconvenience.

- If any problem remains unsolved, you must report on the day of your entrance examination at the Help Desk of the Examination, which will be located at the Nodal Centre (Library Building), A.P.S. University, Rewa.

- Candidates may also contact on the following helpline numbers in case of any urgent issue.

Dr Neha Singh 9424786569

Dr. Aarti Tiwari 9755657581, 8305051769

Mr. Surya Prakash Pandey 8989869983

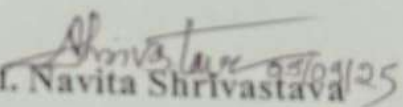

Mr. Abhay Sahu 6261268369

Mr. Adarsh Tiwari 7879053011

If Problem still not solved contact:

Prof. Navita Shrivastava 8839684559

This advisory is issued in the interest of applicants to ensure smooth conduct of the entrance test and admission process, and to avoid any last-minute panic.

Prof. Navita Shrivastava
