

AWADHESH PRATAP SINGH UNIVERSITY, REWA (M.P.)

INSTITUTIONAL DISTINCTIVENESS

A.P.S. University, Rewa is working on the mission to improve the immediate society. Our institutional distinctiveness is in preserving and promoting indigenous knowledge, Language, ayurvedic medicinal plants, arts and crafts. We are tirelessly working towards improving and upgrading the quality of life of the local population and their skills. The university signed a number of MoUs practicing institutional collaboration for the benefit of students, researchers, employees, officers and teachers. Many programmes have already been held under this benefiting MoUs. Despite financial and human resource limitations, our university is marching towards excellence in education, inclusive development, and promotion of sustainable environment as well as participatory administration.

We have planned in detail high quality faculty development programmes in Arts, Sciences, Social Sciences and other faculties.
