Awadhesh Pratap Singh University
Rewa (MP) 486003

कुलगीत

गुणीजनों में सदा रहेगी जिसकी उन्नत ग्रीवा,
गरिमामय, महिमामय, मंगलमय, विश्वविद्यालय रीवा ॥

हंसों का आकाश ज्ञान के गरुणों का अंचल है,
विन्ध्याचल की शिखर घाटियों का जो मीठा जल है,
जिसके अक्षय ज्ञानकोश की सीमा अटल अचल है,
मध्यदेश की मणि सहस्र दल, कमल विन्ध्य अवनी का।
गरिमामय, महिमामय, मंगलमय, विश्वविद्यालय रीवा ॥

गुणवंतों में गाई जाएँ जिसकी यश गाथाएँ,
उद्यमशील कुशल बालक, श्रम तपस्विनी बालाएँ,
सृजन भूमि विज्ञान ज्ञान की अपराजित शालाएँ,
घरों-घरों में जिनसे जलतीं अनगिन दीप शिखाएँ।
गरिमामय, महिमामय, मंगलमय, विश्वविद्यालय रीवा ॥

दसों दिशाओं को ले जाएँ नई नई क्षमताएँ,
मानव तप से, मानव श्रम से नया मनुष्य बनाएँ,
नए नए फूलों से इस दुनिया को चमन बनाएँ,
सभी निकायों संकायों में गीत यही हम गाएँ।
गरिमामय, महिमामय, मंगलमय, विश्वविद्यालय रीवा ॥

Message

It is our pleasure to present our institution's Information Bulletin 2024-25 to youngsters regarding admission in our university teaching departments. This bulletin serves as a thorough reference, offering in-depth details on the programmes we offer, our renowned faculty, our cutting-edge facilities, our active academic and research culture, and the amenities provided by our teaching departments and study centres. It also contains highlights of the events and activities of the previous year, as well as the contact information for department heads and other officers.

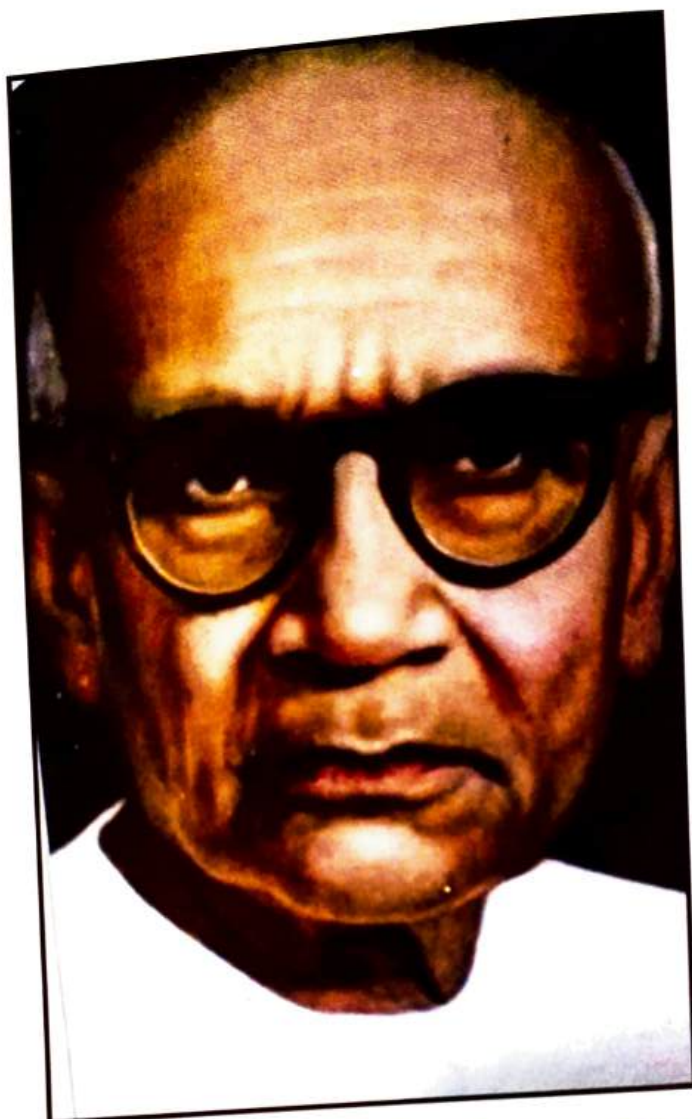

We take great pride in being among the first universities in the nation to embrace and incorporate the National Education Policy 2020 into our undergraduate curricula, beginning with the 2021-2022 academic year. Our programme frameworks are meticulously created with the needs of the students in mind. They provide subject choice freedom and seamlessly combine academic knowledge with real-world application. In order to provide students a competitive edge and improve their professional abilities, we offer many value-added courses and have started new UG programmes in agriculture science, digital electronics, healthcare management and retail operations management and new PG programmes in ICT, Data Science & Web Designing which will provide more employment opportunities to the aspiring students. We are sure that the education provided here will lead to overall development of students and will make them patriotic citizens in addition to enhancing their academic experiences.

To further expand the perspectives of our students, we regularly organize conferences, seminars, webinars, workshops, invited talks of renowned academicians, business leaders, and life coaches. Sports and cultural events play a major role in our yearly schedule, which aims to develop students holistically and prepare them for a variety of professional options. We have set up an Incubation Center to encourage entrepreneurship and a startup culture among our students and the creative youngsters of the area.

Our university is regarded as one of the most prominent higher education establishments in Central India as we commemorate 56 years of achievements in the similar field. Our alumni are well placed in civil and administrative services, academics, industries, sports and different walks of life.

I am sure this publication will be highly informative to admission aspirants. I wish them all the best for a prosperous and happy future.

(Dr. Rajkumar Acharya)
Vice-Chancellor

Captain Awadhesh Pratap Singh

Because of the dearth of educational options in the Vindhya area, renowned freedom warrior Captain Awadhesh Pratap Singh made the decision to create a university. Darbar Intermediate College was upgraded to a degree college by Captain Awadhesh Pratap Singh, the state's first prime minister following independence. His subsequent efforts at various levels to build a university in Rewa were unsuccessful since the necessary procedures could not be finished in his lifetime. His worthy son Govind Narayan Singh took over as the area's chief minister in 1967.

He was aware of his father's desire and looked through official records and the thirty lakh Rupees that were saved for the university's founding. Later, he brought forward the idea of building Awadhesh Pratap Singh University in Rewa to his ministerial council, and it was warmly received. The university's proposed name was adopted despite considerable opposition, thanks to Pandit Dwarika Prasad Mishra's persistence. First classes at the institution started on July 20, 1968. The university had few resources when it first started out, but now it is a large, impressive establishment. The whole university family is incredibly grateful to Shri Govind Narayan Singh, Captain Awadhesh Pratap Singh, and all of the people who laid the groundwork for our institution. The current vice chancellor of the institution, Prof. Rajkumar Acharya, said that because of honorable forefathers like Capt. Awadhesh Pratap Singh, the fellow citizens are progressively moving forward in life.

About Rewa City

Rewa is renowned worldwide as the "land of white tigers," as the first white tiger was discovered here. Named Mohan by Maharaja Martand Singh, the ruling king, Mohan's descendants now reside across the globe. Rewa, situated on the central Vindhya Plateau, served as the capital of the Princely State of Rewa from the early 17th century A.D. The name "Rewa" is derived from 'Reva,' the ancient name of the sacred river Narmada. Rewa also had the distinction of being the capital of Vindhya Pradesh. It is the only place globally where exquisite handicrafts are crafted from beetle nuts (supari), with finished works displaying impeccable craftsmanship where joints are imperceptible.

Presently, Rewa functions as a divisional headquarters and is a significant hub for education and culture in Central India. It boasts the distinction of housing the sole Sainik School in each state. This region is rapidly evolving into an industrial hub with the presence of industry giants such as NTPC, NCL, Jaypee Cement, ACC Cement, Prism Cement, and Birla Ericsson, along with multinational corporations like Essar Group, Reliance, KJS Cements, among others. The establishment of one of the world's largest Solar Power Plants and the unique White Tiger Safari has transformed Rewa into a prominent center for energy and tourism in Madhya Pradesh and Central India. Four-lane road connectivity from Satna, Jabalpur, Allahabad, and Varanasi has accelerated business and commercial activities in Rewa. The commissioning of the Bansagar Dam Project and the rapid expansion of its canal network are poised to reshape the fortunes of this region.

The White Tiger Safari in Mukundpur (16 km, 30 min), Bandhavgarh (160 km, 3 hrs), and Khajuraho (200 km, 4 hrs) are nearby international tourism centers for wildlife and heritage tourism, respectively. Maihar (65 km, 90 min), Chitrakoot (150 km, 3 hrs), and Vindhyaivasini (250 km, 4 hrs 30 min) are sacred pilgrimage spots in this region.

Rewa is accessible by road from Satna, located 52 km away on the Howrah-Bombay route. It can also be reached via Prayagraj (125 km, 2 hrs) and Jabalpur (230 km, 3.5 hrs) through well-connected four-lane roads. Rewa enjoys excellent railway connectivity with 11 trains originating from here, connecting prominent cities and destinations such as New Delhi, Mumbai, Bhopal, Indore, Jabalpur, Bilaspur, Nagpur, Kevadia, and Rajkot.

Our University

This university was established on 20th July 1968 as a state university of Madhya Pradesh. The University has been named after a distinguished son of the soil and a freedom fighter Capt. Awadhesh Pratap Singh, a national leader and the first Prime Minister of Vindhya Pradesh. The university was recognized by the UGC in February 1972. The University is a member of the Association of Indian Universities (AIU) and All Commonwealth Association of Universities (ACAU). The University has 16 teaching departments and 12 Study Centres which offer more than 50 post graduate and under graduate programmes on regular and self-supporting basis. We also impart education through 239 affiliated colleges within the University jurisdiction in Anuppur, Rewa, Satna, Shahdol, Sidhi, Singrauli and Umaria districts of Madhya Pradesh. We have also started more than 30 Certificate Programmes for skill development of youth. Our university is producing world class talent with optimum utilization of limited resources. Under the dynamic leadership of our present Vice-Chancellor, Prof. Rajkumar Acharya the university has set new goals and aspirations for itself and is aiming to achieve greater heights.

University Campus

The university is spread over 258 acres of hilly and green campus. It is located about 3 kilometers to the north of the main city of Rewa on Sirmour Road. The university buildings include an Administrative Block, Departments of Environmental Biology, Physics, Chemistry, Mathematics, and English, Humanities Block, Department of Psychology, Ambedkar Bhawan, Life Long Learning Department, Antar Bharti Building, Community Hall, Biotechnology Building, Law and Commerce Building, Directorate of Distance Education Building, Department of Business Administration, Computer Centre, USIC Building, Library, Pt. Shambhu Nath Shukla Auditorium, Guest House, Faculty Hostel, Arjun Building, Gymnasium Hall, Yoga Hall, Women's Common Room, Indian Bank, Boys Hostel, Girls Hostel, Rajwani Clinic and Health Centre, MP Online Kiosk, and Photocopy Centre. A well-equipped Intermediate School is also established on the campus for the children of university employees and nearby locality as part of the university's social responsibility.

University Administration

The University Court has the authority to override the decisions of the Executive and Academic Councils. The Executive Council, in turn, manages the University's finances and formulates regulations. The Academic Council establishes faculties and boards of studies to develop curricula and syllabi, and it also recommends ordinances and regulations related to admissions, conduct, and examinations.

Our university exemplifies excellent management of higher education despite limited resources. Despite financial constraints, our university delivers quality education in an exemplary manner. Our students occupy esteemed positions worldwide. Our university underscores that an institution's essence lies not merely in its physical infrastructure but in the guiding spirit that truly defines it.

Department of Ancient Indian History Culture & Archaeology

This department was established in September 1984 under the 6th Five-Year Plan. The number of teaching posts sanctioned in the department includes one professor, one reader, and three lecturers by the UGC. The department runs Ph.D. and M.A. (A.I.H.C. & Arch.) programs as regular programs, while the B.A. (Hons) program is offered as a Self-Supporting Programme (SSP). The department invites eminent professors from across the country to deliver Invited Talks to the students.

Our Attractions

1. **Museum:** Our museum was established in 1991 and houses a significant collection of rare fossils, prehistoric tools, pottery, paintings, excavated materials, and a unique cylindrical stupa with epigraphical and paleographical remains of the "Boudha" mantra and the "kalma" of Islam. A rare type of architectural and sculptural fragment is also preserved here. We have some original manuscripts in Sanskrit, Hindi, and Urdu script. Our museum is open to all.
2. **Rich Departmental Library:** The library contains about 6000 books, dissertations and thesis.
3. **Teaching of Human Values:** Our curriculum includes the teaching of human values, the heritage properties of Madhya Pradesh, and educational tours. These tours include visits to archaeological and historical sites.
4. **Computer Facility:** The department is equipped with the latest PCs and internet connections. Additionally, we have a scientific lab with archaeological, photographic, and scientific equipment.
5. **Photo Archive:** The department has a rich photo archive.

Study Centre for Tourism

The Study Centre for Tourism was established in 1991. The department offers job-oriented, self-financing programs, including the MBA (Tourism Administration) and the BBA (Tourism and Hospitality Management). Special emphasis is placed on developing students' skills in tour and travel management, tourism marketing, heritage management, hotel management and financial management. Job training is mandatory for all students. Most graduates find employment in various agencies both in India and abroad.

Every year, the department organizes a Tourism Festival on World Tourism Day. A variety of academic, cultural, fine arts, and sports events are organized by the students themselves, and the students of UTD are invited to participate in the competitive events. This is one of the most awaited annual events on the university campus.

Department of Business Administration

This department occupies a place of prominence in the realm of professional management education. The foundation stone of establishing this department was laid in the year 1988 under the dynamic leadership of late Prof. V. C. Sinha, a noted economist when MBA Programme was introduced as the first professional programme of the university. The department has been recognized by All India Council for Technical Education (AICTE) and accredited by the University Grants Commission (UGC), New Delhi in the year 1993. Presently, the department offers MBA, BBA and PhD Programmes in Management. The admission to MBA Programme is done through CMAT (conducted by AICTE) and online counseling by Director, Technical Education (DTE), Madhya Pradesh, Bhopal (MP).

The department has a state of art campus which is well equipped with all modern facilities such as rich Library & Book Bank with more than 12000 books, modern Computer Lab with 60 PCs of latest configuration, WiFi Campus, Business Lab, Modern Conference Hall, Activity Hall and five Lecture Halls with Power Point Projectors/Smart Board. Apart from the university website, the department has its own **website: dbarewa.com**. We regularly organize National & International level Conferences & Workshops and Invited Talks of eminent Professors and Industry Experts from across the country and abroad. Every year, we organize Management Festival of 4-5 days for the overall development of the students which includes 20-25 competitions for the students comprising of Academic, Cultural & Sports Activities & Events. More than 3000 alumni of this department are very well placed in the corporate world not only in India but across the globe. Some of them have reached the level of VP, AVP, GM, DGM, Regional Manager, etc. We have our prominent presence in academics as well, as many of our alumni are in reputed institutes including IIMs, IIFM, NITTR, JNU, central universities, state universities and reputed private universities/institutes like Symbiosis, Amity, IMT & Banasthali University. We regularly organize **Alumni Meets** in which more than 850 alumni have participated so far. We have a registered **Alumni Association, 'AROMA'** which contributes regularly in the development, training and placement of the students. We have instituted two running trophies donated by our alumni for **"Best Student of the Year"** for MBA & BBA students, respectively. Reputed organisations like Prism Johnson Cements, KJS Cements, HDFC Bank, ICICI Bank, ETV, Mahindra Finance, Dell Technologies, Genpact have visited us for Campus Selection of our students.

Department of Business Economics

The School of Studies in Business Economics was established in March, 1979, under the able leadership of our founder late Prof. V.C. Sinha, Awadhesh Pratap Singh, University, Rewa. This is the Second University in India and the first in the State which had introduced Business Economics as Post-Graduate Programme, the first being Delhi. There had been a long-standing demand by various organizations for trained graduates who have a sound background of economic principles and their applications in day-to-day life. The study of Business Economics develops the basic concepts used for decision making for both short and long run planning. It also examines the relationships useful in predicting the consequences of decisions and effects of economic environment on the behavioral pattern of firms.

Faculty

Name	Qualifications	Designation	Subject
Prof. N. P. Pathak	MA, PhD	Professor & Head	Business Economics
Dr. Sunil Kumar	MA, MPhil, PhD	Guest Faculty	Business Economics
Ku. Ashma Parauha	MA, MPhil	Guest Faculty	Business Economics
Dr. Saptmuni Dwivedi	LLM, PhD	Guest Faculty	Law
Dr. K. D. Tiwari	LLM, PhD	Guest Faculty	Law
Dr. Alok Mishra	MSc, LLM, PhD	Guest Faculty	Law
Dr. Salil Pandey	LLM, PhD, NET Qual.	Guest Faculty	Law
Dr. Shraddha Singh	LLM, PhD	Guest Faculty	Law
Mr. Rajesh Kumar Shukla	LLM, NET Qual.	Guest Faculty	Law
Dr. Devendra Kumar Pandey	MA, LLB, PhD	Guest Faculty	Law
Dr. Khagesh Nath Garg	MA, PhD	Guest Faculty	History
Dr. Nalini Gupta	MA, PhD	Guest Faculty	English
Ms. Rekha Shukla	MA, MPhil	Guest Faculty	Political Science
Smt. Ruchi Gautam	MA, MPhil	Guest Faculty	Sociology
Ms. Nigar Fatima	MA, MPhil	Guest Faculty	Economics
Dr. Roshni Siddiqui	MCom, PhD	Guest Faculty	Commerce
Dr. Rupesh Kumar Dwivedi	MCom, PhD	Guest Faculty	Commerce
Smt. Mahima Garg	MCom, MPhil	Guest Faculty	Commerce
Dr. Sandhya Singh Baghel	MCom, PhD	Guest Faculty	Commerce
Dr. Shikha Malpani	MCom, PhD	Guest Faculty	Commerce
Dr. Shilpa Gupta	MCom, PhD	Guest Faculty	Commerce
Ms. Kritika Singh	MCom, MPhil	Guest Faculty	Commerce

The teaching in the department is lecture based. However, seminars and discussions take place as and when required. The principal discipline of study includes: Micro Economics, Business Environment and Business Policy, Statistics, International Economics, Economics of Growth, Planning & Project Evaluation, Financial Management, Personnel Management & Industrial Relations, Marketing Management & Research, General Economics, Indian

Economic Problems and Research Methodology and dissertation/project report. There are approximately 3000 books related to the subject in the Central Library. Apart from this, the department has a U.G.C. Library which contains 1086 books. Besides this, we have a Departmental Association through which some text books were purchased in past. The department has Computers, Photocopier, TV, LCD Projector and Smart Board to facilitate teaching and learning.

Study Centre for Law

The Study Centre for Law was established in July 2004 when the BALLB program was started with the approval of the Bar Council of India, with an intake of 160 students. Later, the LLM program was also introduced at the study centre. Presently, around 800 students are receiving education in law from this study centre. A faculty of experienced, qualified, and young teachers is appointed per BCI norms to teach the students and prepare them for the legal profession. Many of our students have qualified for national and state-level exams and have become honorable justices in Madhya Pradesh and beyond. Many are serving in corporate houses as law officers and legal executives, and many have proved their potential as advocates at district and high courts. Every year, the centre celebrates Constitution Day and regularly holds Legal Aid Clinics and Moot Courts. Recently, a statue of Bharat Ratna B. R. Ambedkar has been established on the premises of the centre to motivate students to choose the legal profession to serve society and facilitate justice for people at the bottom of the pyramid.

Study Centre for Commerce

The Study Centre for Commerce was established in July 2012 with the aim of providing quality education at a reasonable cost to students in this region who aspire to make their careers in commerce, business, and management. The centre offers BCom and MCom programs in self-finance mode. This study centre is housed in a well-furnished building at the university, featuring seven lecture rooms, a library, and an auditorium for organizing academic and cultural activities. A faculty of young and dynamic teachers is appointed to teach the students and facilitate learning. The centre is launching BCom (Retail Operations Management) in collaboration with CRISP. Presently, there are around 500 students at the study centre. Our alumni are well-placed in government, banking sector, corporate world and as successful entrepreneurs.

Gandhian Study Centre: An Ancillary Unit of the Department

This centre was established during the 10th plan period under the able directorship of Prof. N.P. Pathak, Professor, Department of Business Economics. As the name suggests, the activities of this centre revolve around Gandhi's philosophy of truth, non-violence, and simple living. It organizes programs on occasions related to Mahatma Gandhi. A series of 150 programs were celebrated from October 2nd, 2018 to October 2nd, 2019, by the Gandhian Study Centre under the canopy of the department. Various programs were held throughout the year on this occasion.

Various popular lectures were organized in different units of the department by inviting learned professors from various universities. The department also organizes many extracurricular activities, such as Welcome parties, Farewell parties, Teacher's Day, and Birth Anniversary celebrations of great leaders like Mahatma Gandhi, Pt. Nehru, Sardar Vallabhbhai Patel, and Indira Gandhi.

Department of Chemistry

This department was established in 1984, with the basic aim of catering to the needs of students of Vindhya Region which is a socially and economically backward part of Central India. This region is particularly rich in natural resources. Our former Prime Minister (Late) Mrs. Indira Gandhi foresighted it as Cement Belt and planned to run "Cement Express" From Delhi to connect Power Capital to the Country "Shaktinagar" in the Singrauli area. Situated in border of UP & MP the region is rich in natural

resources like limestone, bauxite, coal, diamond, granite and iron etc. Based on these resources major industries like cement aluminum coal, (Power) and paper are operating since past fifty year. Chemical Sciences are the backbone of these major industries; Most of such industrial units are in the university jurisdiction. The department has been recognized by the UGC, New Delhi, for its academic pursuits, and special assistance under the DRS was sanctioned to the department in 2006. Despite abundant natural resources and manpower, the younger generation of the region lacked technical skills and the ability to exploit the available resources. Local stalwarts and academicians felt that with proper guidance, quality teaching, and technical know-how, this region could be developed and brought into the mainstream of the country. With these objectives, the then Vice-Chancellor, Prof. Hira Lal Nigam, a renowned inorganic chemist, made significant efforts to establish a Department of Chemistry at this university. Postgraduate teaching and research programs were undertaken by the department to fulfill its aims and goals.

Faculty

Name	Qualifications	Designation	Subject
Prof. R.N. Patel	M.Sc., Ph.D., D.Sc.	Professor & Head	Chemistry
Dr. Kamlesh Mishra	M.Sc., Ph.D.	Assistant Professor	Chemistry
Dr. Neetu Patel	M.Sc., Ph.D.	Assistant Professor	Chemistry
Dr. Sunil Pandey	M.Sc., Ph.D.	Guest Faculty	Chemistry
Dr. Yogendra Singh	M.Sc., Ph.D.	Guest Faculty	Chemistry
Dr. Roshan Lal Patel	M.Sc., Ph.D.	Guest Faculty	Chemistry
Dr. Satish Kumar Patel	M.Sc., Ph.D.	Guest Faculty	Chemistry
		Astt. Professor (Contractual)	Pharmacy
		Astt. Professor (Contractual)	Pharmacy

The department has received major research projects from DST, CSIR, UGC, AICTE, MPCST etc. It was given DRS by the UGC in the year 2004. The students are well placed in different institutions/organizations like IIT, NIT, NITTTR, Universities, Govt. PG Colleges, Research Laboratories and even in foreign countries.

The department is also facilitating research activities to colleges. The department is having sophisticated instruments like AA Spectrophotometer, Cyclic Voltammetry, IR, UV spectrophotometer, Flame photometer, Software's and computer facilities for Computer Aided Drug Design. The department has an e-class room, Conference Hall and modern laboratories. Presently a MoU has been signed with MPCST, Bhopal (MP).

College of Pharmacy

In Madhya Pradesh, the need for Pharmacy education was increasingly felt with the rapid growth of the state's pharmaceutical sector. As a result of these College of Pharmacy was established in Awadhesh Pratap Singh University, Rewa. B. Pharm degree course (4 Years) was started from the session 2023-24 after getting permission from PCI New Delhi. From session 2024-25 PCI has increased the intake in B. Pharm 60 to 100 seats. PCI has also given the permission for D. Pharm course (60 seats). D. Pharm course is of two Years course.

Department of Computer Application

The department was established in 1985-86, formerly known as the Computer Centre, by the University Grants Commission, New Delhi, with the aim of providing job-oriented computer courses and employment-oriented programs to students from the Vindhya region. Initially, the department was headed by Prof. S.P. Agrawal, who played a crucial role in its firm establishment and development. Initially, an ICIM DRS 300 Mini Computer System was installed along with other peripheral devices, including line printers. The established computer centre was upgraded by the UGC in the year 2000. In 2017, the University renamed the Computer Centre as the Department of Computer Application.

Faculty

Name	Qualifications	Designation
Dr. P. K. Rai	MSc, PhD	System In-charge & Head
Dr. Rekha Tripathi	MSc, MPhil, PhD	Guest Faculty
Mr. Ajit Mishra	MCA	Guest Faculty
Mr. K. K. Jaiswal	MSc (IT), MPhil (CS)	Guest Faculty
Ms. Nisha Shrivastava	MSc (IT)	Guest Faculty
Mr. Indraneel Das	MCA, MPhil	Guest Faculty

Currently, the department has two computer labs equipped with the latest computers, printers, and other peripheral devices. In addition to conducting training programs for university/college teachers, employees, and students, the department also engages in computing and software development for the university. The BCA program was started in the academic year 2006-2007 on a self-supporting basis (Ordinance number 120). Responding to student demand, the University initiated the Master of Computer Application (MCA) course in the academic year 2013-14 (Ordinance number 165). The MCA course received approval from AICTE, New Delhi, starting from the session 2015-16. In addition to these courses, the department offers 12 short-term computer courses based on student demand (Ordinance number 95). As of the academic session 2020-21, there are 310 students enrolled in the department.

Department of Computer Science

The Department of Computer Science was established in 1990 by the University Grants Commission (UGC) with the objective of imparting quality education in the field of Computer Science and serving the students of the Vindhya Region with job-oriented programs. The department ensures that its objectives are consistently met and learning outcomes are monitored through academic activities such as assignments, seminars, periodic tests, tutorials, and feedback. Control measures have been designed to ensure that the goals and objectives of the department keep pace with the local, national, and international scenarios.

The department offers PGDCA, BSc Hons (Computer Science), MSc (Computer Science), MTech (Computer Science), and PhD programs. The department is launching MSc (ICT), PG Diploma in Data Science and PG Diploma in Web Designing. The program structures adhere to the NEP 2020 in the CBCS pattern. With rapidly evolving technology and the continuous need for innovation, the Department has produced quality professionals who hold important positions in the IT industry in India and abroad.

Faculty:

Name	Qualifications	Designation
Prof. Rakesh Kumar Katare	MSc, MTech, PhD	Professor & Head
Prof. Navita Shrivastava	MSc, PhD	Professor
Dr. Sunil Tiwari	MSc, PhD	Guest Faculty
Dr. Arvind Singh	MSc, PhD	Guest Faculty
Dr. Ajitesh Singh Baghel	MSc, PhD	Guest Faculty
Dr. Aarti Pandey	MSc, PhD	Guest Faculty
Dr. Neha Singh	MSc, PhD	Guest Faculty
Dr. Ritu Mishra	MSc, PhD	Guest Faculty
Dr. Priyanka Patel	MSc, PhD	Guest Faculty
Ms. Monika Tiwari	MSc	Guest Faculty
Ms. Surya Prakash Pandey	MSc	Guest Faculty

Apart from departmental faculty, eminent speakers from various academic institutes such as MANIT Bhopal, DAVV Indore, RDVV & IITDM Jabalpur, BHU Varanasi, Allahabad University Prayagraj, Vardhman Mahavir Open University Kota, HSGVV Sagar, etc., are invited to deliver expert lectures from time to time. The department has excellent facilities including a computer lab equipped with a good number of PCs and softwares such as DOS, Windows, and Linux, as well as a library and e-library. Research in parallel computing, machine learning, data mining, and computational biology has been explored to address related field problems. Quality research papers have been published and presented in national and international journals/conferences by the research group of the department, including faculties, Ph.D., and M.Phil. students.

The Department of Computer Science plays a pivotal role in creating digital awareness and in the digitization of the university campus. It has been entrusted with responsibilities such as providing technical support for plagiarism checks using DRILLBIT software which was earlier carried out by URKUND Software. Along with this, theses of various subjects are uploaded in the website under the Shodh Ganga project. During the pandemic, the department initiated several digital initiatives, including organizing various national and international level webinars, invited talks, online quizzes, tests, and online teaching.

Department of English

The Department of English was established in 1989 with the purpose of imparting quality teaching in the areas of English literary studies, communication skills, and translation studies. Known for its academic excellence, the Department of English is the ideal place for those seeking refinement in language, literature, and overall personality development. The department has secured numerous UGC projects and publishes its journal, 'Zenith'. The research output of the department, including PhD theses, research papers, and books, is remarkable in terms of quality. Faculty members of the department actively participate in various national committees, provincial boards of studies, and editorial boards. Currently, the department offers BA Hons (English), MA (English), and PhD programs.

Faculty:

Name	Qualifications	Designation
Prof. Shubha Tiwari	MA, PhD	Professor (on Lien) Presently Vice Chancellor Maharaja Chhatrasal Bundelkhand University, Chhatarpur (MP)
Prof. Mrinal Srivastava	MA, PhD	Professor & Head
Dr. Shravan Kumar Mishra	MA, PhD	Guest Faculty
Dr. Jyoti Pandey	MA, PhD	Guest Faculty
Dr. Jagjeet Kour	MA, PhD	Guest Faculty

Regular organization of seminars, symposia, and lectures is a significant feature of the Department of English. The faculty actively participates in national seminars held at various locations alongside students. The department also engages in social and charitable activities on a regular basis. Graduates from the department often find employment in the field of education, while some achieve recognition in state and national services.

Professor Shubha Tiwari, a senior professor in this department and former Dean, is currently working as Vice Chancellor of Maharaja Chhatrasal Bundelkhand University, Chhatarpur (MP). The department regularly organizes seminars, workshops, Faculty Development Programs (FDPs), and training programs focusing on soft skills, linguistics, literature, and topics of general interest and community development such as gender equality, ethics, and values.

Department of Environmental Biology

The School of Environmental Biology was established in the year 1977 as the first University Teaching Department of its kind in the country. Since then, sincere and serious efforts have been made to accomplish the goals and objectives through the updating and revision of courses to produce well-groomed experts in the subject for the nation. The enlightened faculty of the department keeps track of changing needs, and the course contents are periodically revised and updated accordingly.

The department offers CBCS-based M.Sc. programs in Environmental Biology, Biotechnology, and Microbiology as postgraduate programs, and B.Sc. (Hons) programmes in Biotechnology, Microbiology, and Botany as undergraduate programs, in accordance with NEP 2020. From this session the department is launching BSc (Agriculture Science) and BSc (Healthcare Management).

Faculty:

S. No.	Faculty Name	Qualifications	Designation

17	Ms. Rupam Yadav	MSc, MPhil	Guest Faculty -Bio-Tech & Micro-biology
18	Dr. Khushbu Trivedi	MSc, PhD	Guest Faculty -Bio-Tech & Micro-biology
19	Dr. Sangeeta Tiwari	MSc, PhD	Guest Faculty -Bio-Tech & Micro-biology

Special Achievements:

Eleven students were selected as Assistant Professors in MPPSC 2018, and several others were selected as scientific officers in MPPSC 2017, with four scientists also recruited. Additionally, several students have qualified for UGC NET and CSIR exams.

The Centre for Biotechnology has established MOUs with institutions such as the Central Institute of Medicinal and Aromatic Plants, Lucknow; National Bureau of Fish Genetic Resources, Lucknow; and Mango Research Institute, Lucknow. These collaborations enable students to undertake their project work and receive stipends. The centre also recommends students' names to various national laboratories and industries for project work, providing them with advanced practical training in these institutes.

The department organized its first Alumni Meet, "Confluentia," on July 30th and 31st, 2023. More than 200 alumni from across the country and abroad participated in the event.

Study Centre for Bio-Technology

This study centre was established in 1997 with the vision to provide teaching, practical, and research facilities in various fields of Biotechnology such as Human Genetics, Molecular Biology, Medical Biotechnology, Agricultural Biotechnology, Environmental Biotechnology, Industrial Biotechnology, and Recombinant DNA Technology. The department aims to popularize science and technology among higher secondary and high school students. Additionally, many events organized by this department have successfully spread knowledge and developed practical aptitude among rural and tribal students in the Vindhya region.

The department boasts excellent infrastructure with laboratories equipped with highly sophisticated instruments including Real Time PCR, Fermenter, UV-VIS Spectrophotometer, PCR Machine (Thermal Cycler), Deep freezer (-80°C), and Gel Documentation System. For training and placement of students, the department has signed MOUs with S.S.M.C. Rewa, Gennova Biopharmaceuticals Pune, NBFGR Lucknow, and various reputed institutions across India.

Study Centre for Micro Biology

This study centre was established in the year 2011 to provide theoretical, practical, and research facilities in various fields of Microbiology such as Medical Microbiology, Industrial Microbiology, Environmental Microbiology, etc.

Study Centre for Bio-Chemistry

The study centre for Bio-chemistry offers BSc and MSc Programmes in Bio-chemistry owing to the growing demand of students of this region. The centre has modern instruments and lab for quality research, teaching and learning in the field of Bio-chemistry. Our students are well placed in the reputed research centres of the country.

हिन्दी विभाग

स्थापना वर्ष – महाकवि केशव अध्यापन एवं
अनुसंधान केन्द्र सन् 1983

स्थापना वर्ष – हिन्दी विभाग, 1993

अवधेश प्रताप सिंह विश्वविद्यालय, रीवा का यह सौभाग्य रहा है कि इस विभाग के संस्थापक, अध्यक्ष प्रो. कमला प्रसाद, हिन्दी जगत के एक अन्तर्राष्ट्रीय ख्याति के व्यक्ति थे। उनके साथ कार्यरत उपाचार्य डॉ. रमाकान्त श्रीवास्तव तथा प्राध्यापक डॉ. दिनेश कुशवाह, राष्ट्रीय स्तर के कवि, कथाकार तथा समालोचक थे,

उस समय देश के सभी विश्वविद्यालयों के हिन्दी विभागों में यह संयोग सराहा जाता था। सन् 1993 से आज तक विभाग में एम.ए., की कक्षाएँ सफलतापूर्वक संचालित हैं तथा बड़ी संख्या में छात्र शोधकार्य कर रहे हैं। देश के प्रख्यात कवि और प्रखर वक्ता प्रो. दिनेश कुशवाह इस विभाग के विभागाध्यक्ष हैं। पूरे वर्षभर से चोटी के विद्वान विभाग में आते हैं और उनके व्याख्यानों से विद्यार्थी लाभान्वित होते हैं।

कार्यरत शिक्षक

नाम	पद	योग्यता
प्रो. दिनेश कुशवाह	आचार्य एवं विभागाध्यक्ष	एम.ए., पी-एच.डी., नेट (जे.आर.एफ.)
डॉ. लक्ष्मीकांत चंदेला	सह-प्राध्यापक	एम.ए., पी-एच.डी.
डॉ. अनुराग मिश्र	अतिथि विद्वान	एम.ए., पी-एच.डी.
डॉ. बारेलाल जैन	अतिथि विद्वान	एम.ए., पी-एच.डी.
डॉ. निशा पटेल	अतिथि विद्वान	एम.ए., पी-एच.डी.

विभाग से पढ़े अनेक मेधावी विद्यार्थी आज कई महत्वपूर्ण पदों पर हैं। विभाग के एम.ए., पी-एच.डी. छात्र विश्वविद्यालयों से लेकर देश के विभिन्न महाविद्यालयों, केन्द्रीय विद्यालयों, नवोदय विद्यालयों में अध्यापक, संस्थानों में हिन्दी अधिकारी आदि हैं। विभाग के एक शोधार्थी का **I.P.S.** में चयन हुआ है। प्रत्येक वर्ष विभाग के विद्यार्थी नेट, जे.आर.एफ., स्लेट तथा राजीवगांधी फेलोशिप में चयनित होते रहे हैं। हिन्दी विभाग की स्थापना के साथ ही एक ऐसा प्रभाव दिग-दिगन्त में व्याप्त हुआ कि यहाँ से पढ़े हुए छात्र पूरे देश में अपनी विद्वत्ता और प्रतिभा लेकर छा गये।

Department of Life Long Learning

The department was established by UGC in 1983 for smooth functioning of education, research and extension activities. The department has a **Study Centre for Human Resource Development** and a **Study Centre for Education**. To pursue its objectives, the department offers a two-year PG Programme in Human Resource Development and a two-year BEd Programme. The department also serves as a research centre for doctoral research in Education. Regular national and international conferences and workshops are organized by the department to enhance academic standards for both faculty and students, as well as the academic community at large. Research focuses on Leadership Development, Human Resource Management, Quality in Education, and the New National Education Policy 2020. Students in the MBA (HRD) Programme undergo vocational training in the corporate sector alongside their regular studies. Similarly, students in the BEd programme participate in the Micro Teaching programme to refine their teaching skills.

Faculty:

Faculty Name	Qualifications	Designation
Prof. Sunil Kumar Tiwari	MA PhD	Professor & Head
Dr. Sheshpal Namdeo	MBA, PhD	Assistant Professor
Dr. Usha Tiwari	MSc, MHRD, PhD	Guest Faculty- (HRD Programme)

Dr. Kirti Shukla	BA, MA (History & BHSc, MHSc. (Home Management), MA (Hindi & Sociology), Bed, PhD	Assistant Professor (Contractual)
Dr. Ritu Singh	BHSc, MA (Sociology), MA Yoga, BEd, MEd, Ph.D (Education)	Assistant Professor (Contractual)
Dr. Arun Pandey	MA Hindi, B.Ed, M.Ed, Ph.D (Education)	Assistant Professor (Contractual)
Dr. Pratiksha Pandey	BSc, MSc, BEd, MEd, PhD (Education)	Assistant Professor (Contractual)

The department is equipped with a well-stocked library, computer lab, conference hall, lecture rooms, and other amenities to facilitate effective learning. Each year, students of the MBA (HRD) Programme organize a Management Festival aimed at enhancing overall student development. This festival includes academic, cultural, and sports competitions, providing a platform for students to showcase their talents. Alumni of the MBA (HRD) Programme are well-placed in various corporate positions across the country. Similarly, alumni of the BEd Programme have found success in school education.

Department of Mathematical Sciences

The department was established in September 1984 under the name 'Department of Mathematics & Statistics'. The foundation stone of its building was laid by the then Chief Minister of Madhya Pradesh, Shri Motilal Vora. However, its name was changed to the 'Department of Mathematical Sciences' in April 1999. Initially, Prof. R. B. Misra (Professor & Head), Dr. C. K. Sharma (Reader), Dr. N. P. Singh, and Dr. J. P. Singh (Lecturers) joined as faculty members in 1985. In 1989, Dr. R. N. Singh joined as a lecturer. Dr. (Mrs.) Kavita Shrivastava and Dr. Akhileshwar Prasad were appointed as lecturers in 1994 and 1996, respectively. Prof. R. B. Misra served as the Vice-Chancellor of Avadh University, Faizabad during 1989-92. Prof. C. K. Sharma served as the acting Vice-Chancellor of Awadhesh Pratap Singh University, Rewa in 2003.

The department offers M.Sc. and Ph.D. Programmes in Mathematics since its beginning. B.Sc. (Honors) Mathematics Programme commenced from the session 2023-24. Currently, around one hundred fifty students are enrolled in the department. The department has made significant research contributions in Differential Geometry, Special Functions, General Theory of Relativity, and Cosmology. Researchers from the department regularly visit and collaborate with various research institutions across the country. The department has received a library grant from the National Board for Higher Mathematics, Mumbai. Faculty members have published approximately 250 research papers and articles in national and international journals, some of which are cited in reference books and journals with high impact factors. Four students from the department have qualified the NET/SET examination. Since its inception, more than 55 students have been awarded a PhD degree and over 250 students have obtained an MPhil degree.

Faculty:

Faculty Name	Qualifications	Designation
Prof. Rishi Tiwari	M.Sc., Ph.D.	Professor & Head
Dr. Shravan Kumar Pandey	M.Sc., M.Phil., Ph.D., MPSET	Assistant Professor
Dr. Anamika Dubey	M.Sc., M.Phil., Ph.D.	Guest Faculty
Dr. Jai Prakash Patel	M.Sc., M.Phil., Ph.D.	Guest Faculty

The department gained international recognition in 1987 when it was selected under the federation scheme of the International Centre for Theoretical Physics (ICTP), Trieste, Italy. This federation was renewed annually until 1992, providing a rare opportunity for faculty members and students to visit ICTP and enhance their knowledge with financial support from the Centre.

The department also successfully organized the 65th Annual Conference of the Indian Mathematical Society during December 20-23, 1999. Over the years, the department has hosted several distinguished personalities, including Prof. Franco Fava (Italy), Prof. P. C. Vaidya, Prof. Nand Lal, Prof. B. B. Sinha, Prof. K. K. Azad, Prof. J. B. Rao, Prof. Nand Kishor, Prof. K. P. Singh, Prof. S. R. Roy, Prof. H. C. Khare, Prof. David Gauld (New Zealand), Prof. A. N. Roy, Prof. T. Pati, Prof. Bill Fieldman (USA), Prof. U. C. De, Prof. M. A. Pathan, Prof. P. N. Pandey, Prof. S. D. Tripathi, and others.

दर्शन विभाग

विभाग की स्थापना

आज शिक्षण संस्थाओं की जो शिक्षा प्रणाली है उसे विद्यार्थी मात्र रोजगार प्राप्त करने के साधन के रूप में देखने लगे हैं। जिसके कारण मानव समाज उस शिक्षा से वंचित होता जा रहा है जिसका उद्देश्य मानव को संतुलित जीवन जीने की कला सिखाना है। जीवन के लिए जितनी आवश्यकता भौतिक समृद्धि की है उतनी ही आवश्यकता नैतिक आध्यात्मिक समृद्धि की भी है। इसी को ध्यान में रखते हुए अवधेश प्रताप सिंह विश्वविद्यालय में सन् 2004 में अद्वैत वेदान्त दर्शन विभाग (वर्तमान में दर्शन विभाग) की स्थापना की गई। स्थापना के समय से ही एक प्राध्यापक की नियुक्ति तथा एम.ए. दर्शनशास्त्र का अध्यापन एवं शोध कार्य प्रारम्भ किया गया। इसके पश्चात् 2019-20 सत्र से स्ववित्तीय पाठ्यक्रम के रूप में बी.ए. (ऑनर्स) दर्शनशास्त्र पाठ्यक्रम प्रारम्भ किया गया है। यह कहते हुए गर्व हो रहा है कि विभाग द्वारा विश्वविद्यालय में स्थापित प्रतिष्ठित भाषणमालाओं में स्व. रानी कष्णाकुमारी देवी स्मृति भाषणमाला, स्वामी श्री विष्णुतीर्थ स्मृति वेदान्त व्याख्यानमाला तथा कुँवर अर्जुन सिंह व्याख्यानमाला का आयोजन विगत कई वर्षों से सफलतापूर्वक किया जा रहा है।

Department of Physics

Rewa, located in the near-equatorial region, holds significant potential for recording and analyzing space data, crucial for Space Science and particularly Space Weather. Recognizing this, A.P.S. University, Rewa took the initiative to launch research and teaching activities in this important field of Science and Technology. With approval from the University Grants Commission, New Delhi during the first phase of the IV plan in 1975, the Vikram Space Physics Center was established on the university premises. The 18NM64 Super Neutron Monitor facility was set up under the leadership of Late Prof. S.P. Agrawal, a Ph.D. student of the renowned scientist Prof. U.R. Rao, to record and analyze space data. This center evolved over time, eventually

transforming into the full-fledged Physics Department in 1982.

Late Prof. R.L. Singh, Prof. S.K. Nigam, Prof. D.P. Tiwari, and Dr. V.N. Pandey joined the department to mentor aspiring students. Notably, Prof. S.P. Agrawal and Prof. S.K. Nigam served as acting Vice-Chancellors of the university, and Prof. R.L. Singh served as Vice-Chancellor of G.G.D. University, Bilaspur. With the addition of Prof. A.P. Mishra and Prof. S.L. Agrawal to the department in 1990, research activities flourished in the fields of Space Science and Materials Science, respectively. The department offers BSc Honors (Physics), MSc (Physics), and PhD (Physics) Programmes. We are launching BSc (Digital Electronics) Programme from this academic year.

In the XI five-year plan, the department acquired advanced instruments such as Powder XRD and SEM. It continues to offer MSc Physics and PhD Physics Programmes. Since its inception, over 120 students have been awarded PhD degrees, and a considerable number of students are currently engaged in the PhD Programme. The department has produced around 400 research publications over the last four decades with the help of its existing facilities.

Faculty:

Faculty Name	Qualifications	Designation
Prof. A.K Saxena	MSc, PhD	Professor & Head
Dr. C.M. Tiwari	MSc, PhD	Assistant Professor
Dr. Mukta Tripathi	MSc, PhD	Assistant Professor
Dr. Subhash Chauhan	MSc, CSIR-NET, PhD	Assistant Professor
Dr. B.K. Tiwari	MSc, PhD	Guest Faculty

Special Achievements: This department has also been recognized as Center of Excellence by Department of Higher Education, M.P. State Government in 2014. Three major and five minor research projects funded by UGC, CSIR, MPCST and Space Department, Government of India have been completed in the Department. The alumni of the Department have occupied prestigious positions in different organizations like National Meteorological Lab, BARC and National Electronics Organization. Space Physics and Materials Sciences are the major areas of research.

Department of Psychology

This department was established in 1984 and specializes in the field of Clinical and Counseling Psychology. The founder faculty members of the department were Late Prof. Amrendra Lal Singh, Prof. A.K. Srivastava (Retd.), and Prof. Anjali Srivastava (Retd.). Prof. R.S. Singh (Retd.) later joined the department as a Reader. The department offers BA Hons Psychology, MA Psychology, MA Clinical Psychology, PG Diploma in Guidance & Counseling (PGDGC) and PhD Psychology Programmes. In addition, the department is nodal department for Study Centre for Industrial Relations and Personal Management, Study Centre for Social Work and Study Centre for Yoga & Consciousness which offer programmes such as MBA (IR&PM), MSW, BA (Sociology), Diploma in Yoga Education (DYEd) and M.A. Yoga.

Faculty:

Name	Designation	Subject/Programme
Prof. M. C. Srivastava	Head	AIHCA
Dr. Richa Chaturvedi	Guest Faculty	Psychology
Dr. Kalpana Pandey	Guest Faculty	Psychology
Dr. Smriti Singh	Guest Faculty	Psychology (BA hon's)
Dr. Nidhi Singh	Guest Faculty	Psychology (BA hon's)
Dr. Kamlesh Dubey	Guest Faculty	Psychology (BA hon's)
Dr. Shashank Pandey	Guest Faculty	MSW
Dr. Preetam Singh	Guest Faculty	MSW
Mr. Suneet Kumar Dwivedi	Guest Faculty	MSW
Dr. Shalini Sharma	Guest Faculty	MSW
Dr. S. P. Singh	Guest Faculty	MBA (IR&PM)
Dr. Neelam Pandey	Guest Faculty	MBA (IR&PM)
Mr. Ranjan Kelkar	Guest Faculty	MBA (IR&PM)
Ms. Shahista Siddiqui	Guest Faculty	MBA (IR&PM)
Mr. Rajesh Singh	Guest Faculty	Yoga
Dr. Alpi Singh	Guest Faculty	Yoga

The department has organized several national and regional seminars and workshops. It has collaborated with number of NGOs such as Red Cross Rewa, Chinmay Seva Trust, and Laxmanpur Rewa, Sidhi. "Field education in Social Work is a component of social work education programs where students learn to practice social work through educationally focused service experiences in agency and community settings." However, the social work students and teachers actively engage in organizing camps and awareness programs in adopted villages by the University. The National Child Labor Project was conducted by the department twice.

The PG Diploma in Guidance & Counseling (PGDGC) students undergo internships under the guidance of psychiatrists, while MSW and MBA (IR&PM) students receive training in various industries and organizations. Teachers and students (acting as counselors) are actively involved in providing counseling to the students in the campus as and when required and to other clients with psychological disorders.

Study Centre for Industrial Relations & Personnel Management

The Study Centre for Industrial Relations & Personnel Management was established in 1998, introducing a job-oriented PG Diploma Programme in Industrial Relations & Personnel Management as a self-financing professional program aimed at preparing youth in the region for employment in industrial and commercial organizations within the field. Later, the program was upgraded to an MBA (Industrial Relations & Personnel Management) Programme. The program structure follows the Choice Based Credit System (CBCS), emphasizing understanding human behavior and its modification to enhance personnel and organizational productivity.

Our centre boasts excellent infrastructure and experienced faculty to facilitate learning. We regularly invite eminent speakers from industry and academia to enlighten students about their areas of expertise. Educational tours are organized to provide practical exposure to students. A management festival, "Aarohan," is held regularly to apply management concepts practically and promote experiential learning. The festival features over 20 academic, fine arts, cultural, and sports events. Most of our students have secured placements in corporate sector and various other walks of life.

Study Centre for Social Work

The idea of launching the Master of Social Work Programme to commemorate the 125th birth anniversary of Mahatma Gandhi took shape in 1995 under the dynamic leadership of the then Vice-Chancellor, Prof. J.S. Rathore. The department aims to equip students with scientific knowledge, technical skills, and values necessary for various interventionist roles. The MSW programme is a two-year (four-semester) course designed to provide students with theoretical insights and practical skills for effective work in the fields of social welfare and social services. The study centre has organized numerous seminars, workshops, invited talks, and exhibitions on social issues and the role of NGOs in addressing them. We regularly conduct field visits to hospitals, old age homes, nearby villages, and localities to provide social services to those in need.

Study Centre for Yoga

This center was established in collaboration with Kaiwalya Dham Yoga Training Centre, Lonavala, to promote awareness about yoga in the region. In addition to offering regular PG Programs in Yoga, the center organizes yoga competitions annually. World Yoga Day is celebrated extensively on the university campus every year. Students from this center have participated in numerous yoga events and competitions, enhancing the center's reputation through their performances.

Department of Physical Education & Sports Science

The Department of Physical Education and Sports Science was established in 1968 to organize physical education and sports activities in the University. The Department has a distinct identity of its own. We offer BPEd (2 years) 1988, MPED (02 Years) 1994, BPES (3 years) 2010, MPES (2 years) 2023, and PhD Programmes.

Objectives –

1. To encourage values and principles in physical activity for health, recreation, challenge, self-expression, and social interaction.
2. To impart knowledge and sports skills needed to manage physical and human resources.
3. To prepare qualified physical education teachers/leaders.
4. Coaching and managing sports and recreational activities.
5. To organize inter-departmental, inter-district, inter-division, inter-collegiate, inter-state, university, East Zone Inter University, and All India (National University Games) inter-university competition training and coaching of university teams in various games and sports for inter-university and other competitions.

Faculty :-

Name	Qualification	Designation
Prof. Rambhushan Mishra	MPED, MA, PhD	Professor & Head
Dr. Sanjeev Kumar Mishra	MPED, MA, PhD	Guest Faculty
Dr. Gayatri Prasad Shukla	MPED, MA, PhD	Guest Faculty
Mr. Vijay Pal	MPED, M.Phil, NET	Guest Faculty
Ms. Rukmani Dwivedi	MPED, M.Phil	Guest Faculty

The department manages the university stadium and gymnasium, featuring a viewers' gallery accommodating approximately 10,000 spectators, along with two pavilions and a modern gymnasium. The Directorate of University Sports oversees the teaching department. The stadium's physical exercise infrastructure has been recognized by the BCCI, which has selected our venue for Ranji and Vizzy trophy matches.

Over 20 students secured positions as sports officers in higher education college services through MPPSC, while 8 students have been appointed as lecturers at district institutes of education training via UPPSC. Additionally, 5 students were selected in UP civil services during 2018-19.

The students of the department have actively participated in National, All India, and East Zone inter-university sports events. Apart from cricket, the stadium supports tracks for Hockey, Handball, Football, Kho-Kho, Kabaddi, Athletics, Wrestling, Weightlifting, Judo, Powerlifting, Table Tennis and Boxing.

All India Women's Cricket and Women's Khokho Inter University Tournaments were organized by the department in the session 2023-24. All-India Circle Style Kabaddi (Men) and East Zone Inter-University Cricket (Women), State Inter-University Cricket were organized during the sessions of 2019-2020, 2021-22 and 2022-23. In the session of 2021-2022, the department organized All-India Circle Style Kabaddi (Women) and East Zone Inter-University Cricket (Women). Subsequently, in 2022-2023, we hosted East Zone Inter-University Chess (Men), East Zone Inter-University Cricket (Women), and East Zone Inter-University Badminton (Men) competitions. The women's team of university cricket successfully qualified for the All-India Inter-University Cricket (Women) tournament in 2022-23.

CENTRAL FACILITIES

Central Library

The University has a Central Library with a vast collection of books and journals. The library includes an e-Library section providing access to numerous online journals, books, and publications for students, research scholars, and faculty members. Efforts are ongoing to regularly acquire standard publications. Additionally, each teaching department maintains its own departmental library.

University Publications

The university has two regular publications; Pratibimb & Vindhya Bharti. Pratibimb is a quarterly Newsletter while Vindhya Bharti is an annual multi-disciplinary Research Journal.

Hostel Facility

The university campus has one hostel each for boys and girls studying in the University Teaching Departments. The availability of seats is limited and the quota is allotted to every department. Interested candidates apply for accommodation in the hostel in the prescribed form through proper channel.

University Guest House

University has a well-furnished Guest House in the campus. The accommodation and catering is provided to the guests of the university at a nominal cost.

University Stadium & Sports

The University Stadium is centrally located in the city. It has facilities for Cricket, Volleyball, Basketball, Kho Kho, Kabbadi and Wrestling. There is a football ground, Gymnasium Hall & Yoga Hall in the main Campus. Every year university's teams participate in various inter-university games and sports competitions like athletics, basketball, badminton, chess, cricket, khokho, hockey, hand ball, volley ball, wrestling, judo, karate etc. The desired information regarding eligibility, selections and schedules can be taken from the Department of Physical Education & Sports.

University Auditorium

University has an auditorium in the campus in the name of its founder Vice Chancellor Pt. Shambhu Nath Shukla. The auditorium is furnished with all the necessary facilities. It has a seating capacity of more than 500 persons.

NSS

Two units of National Service Scheme (NSS) are functional in the campus. Students who are admitted in the University Teaching Departments can join these unit to participate in the activities related to plantation, cleanliness, sanitation, rural development etc.

APSU Incubation Centre

The University has established an Incubation Centre for promoting New Ideas and Start Ups in the region. The Incubation Centre has been registered as a Section 8 Company with the name APSU Incubation Centre. Initially the centre has provided training and support for Start Ups related to Beetle Nut Toys, Handmade Soaps & Tribal Art. In future, the university is planning to promote the Start Ups related to Solar Panels, Processed Food & Ayurvedic Medicines and Handlooms.

Directorate of Skill Development

The Directorate of Skill Development has been established in the university to enhance employability of the students by offering them various Certificate Programmes in skill development as per the needs of the industry and the society. These Certificate Programmes will be run in different teaching departments of the university.

Study Centre of Indira Gandhi National Open University

The Study Centre of Indira Gandhi National Open University, New Delhi is well established in the university campus. Prof. R. N. Singh is the Co-ordinator of this Study Centre. The study centre provides learning opportunities in various courses of IGNOU. Large numbers of students are getting opportunities to study general and specialized programmes of IGNOU through this study centre.

Bank & Post Office

A branch each of Indian Bank and Post Office is operating in the university campus for the convenience of students and staff. All the banking and postal facilities and services are available in these branches.

Primary Health Centre

A Primary Health Centre is established in the campus with all facilities related to first aid for any kind of emergency requirements.

GENERAL INSTRUCTIONS

Admission Procedure

Admission to most of the UG and PG Programmes are given at university level on the basis of marks obtained in the qualifying examination. The guidelines of Higher Education Department, Madhya Pradesh, Bhopal (MP) are strictly followed. Admission to MBA Programme is done through CMAT conducted by AICTE usually in the month of February. Admission Counseling is done by Director, Technical Education (DTE), Bhopal, every year. Admission Counseling for BPharm & DPharm programmes is also done by Director, Technical Education, Madhya Pradesh, Bhopal (MP). Admission to NCTE approved BEd, BPED and MPED Programmes are done centrally by Higher Education Department, Madhya Pradesh, Bhopal (MP).

Provisional Admission List

List of provisionally admitted candidates is displayed on the Notice Board of the concerned Department/Study Centre from time to time. The applicants are required to be in constant touch with the department to know about their admission status. In case, a candidate misses to report in the given time and fails to take admission, his/her candidature will be considered in the next list if the vacancies are available.

Reservations

Reservations to SC/ST/OBC, Girls, EWS, Ex-Military, Freedom Fighters, and University Employees etc. will be given as per the University and State Government guidelines/rules. The candidates claiming admission against any Reserved Category Seats should submit, along with their application form an attested copy of the certificate from the competent authority as per the State Government norms.

Attendance Requirements

Each candidate will have to complete the minimum attendance requirements for appearing in the semester examination. His/her examination form will not be forwarded if he/she fails to get a minimum of 75% attendance in the classes of each semester.

Prevention of Ragging

Ragging is totally banned in the University Campus and outside. Each and every student who gets admission in the university must ensure that he is not involved in ragging of other students directly or indirectly. Newly admitted students must immediately bring in the knowledge of the university administration any such incidence of ragging with them. Strict disciplinary action will be taken against any such student who is reported and found indulging in ragging other student. Anti Ragging Squad & Anti Ragging Committees are active in the campus to prevent ragging and take strict action against students involved in ragging.

Prevention of Sexual Harassment

Internal Complaint Committee is active in the university campus to take strict action against cases of sexual harassment, if any.

Youth Festival

Every year Youth Festival is organized to showcase the talent and skills of students. It helps in the overall development of the students. As per the directives of the Government, Youth Festival is organized at four levels; Inter Class- College Level (UTD), Inter College- District level, Inter District- University Level and Inter University- State Level. In all, twenty-two competitive events related to academics, dance, singing, theatre and fine arts are organized in the Youth festival at every level. The calendar of the Youth Festival is declared by Higher Education Department, Government of Madhya Pradesh.

MP Online & CRISP

The admission, examination and all other applications related to TC, Migration, Degree etc. are processed online through MP Online and CRISP.

Cashless Transaction

Cash transactions are not allowed in the university, all the transactions are done online through MP Online and CRISP, portal. NEFT, RTGS and Bank Demand Drafts and used wherever required.

Website

The university has its own website <http://www.apsurewa.ac.in>. All the relevant information related to the university is regularly updated on the website. Notifications related to admission, examination, seminars, conferences, workshops etc. are available in the website.
